Company Name: Jade Alarm

Web Address: www.jdealarm.com

Industry: Security

Business / Organization Description:

Jade Alarm provides state-of-the-art security products with around-the-clock monitoring and service in the Kansas City area. Jade Alarm operates its own UL Certified Monitoring Command Center, they utilize state-of-the-art control systems that are American made.

How is PageGate Used:

Jade Alarm uses PageGate to send automatic alerts to field service personnel telling them which systems are "on test", going "back in service", etc... Jade Alarm also uses PageGate to message sales people when they are out of the office.

Customer Quote/Comments:

"No human interface with service personnel needed, so workload on communications center operators is reduced."
