**Industry:** Municipalities

### **Business / Organization Description:**

Municipality in South Eastern Massachusetts. The Town of Easton is located approximately 24 miles south of Boston and 20 miles northeast of Providence, Rhode Island. The community is approximately 29 square miles in area and has an estimated 1995 population of 21,284. Easton is governed by an open town meeting. A five member Board of Selectmen and full time Town Administrator ensure efficient local government services for the twentieth century.

### **How is PageGate Used/Customer Quote:**

PageGate is used by the town to contact Department of Public Works employees. An example of its use would be in the event of a snow storm, the highway group can be immediately paged and notified of the need for sanders or snow plows. The instant communication is helpful with response times. The water department uses the software to notify key employees of water main breaks or water related problems. In addition the town uses PageGate for daily communication including schedule changes or administrative announcements.
